Vincent,

Dani's photos are attached.

1982 Aerial photo - B&W building appears in this picture (B&W building is the southern most building of the four buildings that are located on the SE corner of E. Industrial Loop and S. Industrial Loop (S. Industrial Loop a/k/a West Gist Avenue). Calichie pit area is visible adjacent to S. side of B&W property.

1974 Aerial photo - Land area is vacant in the area where the B&W building later appears in the 1982 aerial photo. Random running roads are visible in Calichie pit area that is adjacent to S. side of the future B&W property.

1954 Aerial photo - Land area is vacant in the area where the B&W building later appears in the 1982 aerial photo. Area of future Calichie pit area appears as farm land.

1946 Aerial photo - Land area is vacant in the area where the B&W building later appears in the 1982 aerial photo. Area of future Calichie pit area appears as farm land.

Bob,

It was great speaking with you. I think I may have attached a couple of duplicates. Please let me know if this works?

Thank You,

Dani
